Re: United States v. Jonathan Skolnick, 19 Cr. 730 (CM)

Dear Judge McMahon:

The Government writes with the consent of defense counsel to request an adjournment of its deadline to respond to defense motions filed in this matter for approximately 60 days and that the next pretrial conference in this matter be adjourned until after the new response deadline. The parties are engaged in discussions of a potential pretrial resolution of the matter that may obviate the need for motions and the adjournment will provide the parties with additional time for such discussions. In the event the parties are unable to reach a resolution, the Government is assessing next steps that may also moot the defendant's motions.

Respectfully submitted,

AUDREY STRAUSS
United States Attorney
